TORTURES OF ECZEMA YIELDED TO CUTICURA

"Cuticura Remedies are all you claim them to be. I had eczema for over two years. I had two physicians, but they only gave me relief for a short time and I cannot enumerate the cintments and lotions I used to no purpose. My ankies were one mass of sores. The itching and burning were so intense that I could not sleep. I could not walk for nearly four months. One day my husband said I had better try the Cuticura Remedies. After using them three times, I had the best night's rest in months unless I took an opiate. I used one set of Cuticura Resolvent Pills, and my ankies healed in a short time. It is now a year since I used Cuticura, and there has been no return of the eczema. There was a special musical program, including the wedding march from "Lohengrin," "The Spring Song Melody." in F. Mendelssohn's "Wedding March," and selections from other well known composers.

The bride, who wore a lace robe over ivory taffeta, was attended by her sister, Miss Agnes Carlotta Paalzow, as maid of honor. Mr. Herbert Allen acted as best man. The ushers were Mr. James Wotherspoon, Mr. John F. Paalzow, Mr. Harold J. Marsh and Mr. Frank J. Maginniss.

A reception followed for relatives of both families. Upon their return from the wedding journey, Mr. and Mrs. Palmer will reside in New Brunswick, N. J.

"I had a small lump in the corner of my eye for over a year which was very painful and got larger all the time. I thought I would try Cuticura Soap and Ointment on it, and now it is gone. I am seventy-three years old and have lived on the farm I now occupy for twenty-seven years. Cuticura Remedies are the safest and most reliable I have ever used for all skin humors.
